Due to his demeanor, this officer asked security to escort Mr. Barnes out the building. As the defendant was on his way out of the building, he decided to return to the probation office, and asked to speak with this officer's supervisor.

Mr. Barnes met with Supervising U.S. Probation Officer Nichols and this officer. The defendant related he was nervous and felt pressured to produce the urine sample. Mr. Barnes was directed to wait in the reception area so he could calm down. After a short while, the defendant stated he was ready to produce the specimen. Approximately 20 minutes later, Mr. Barnes produced a urine specimen that returned presumptive positive for amphetamine using the MP Rapid Test device. Mr. Barnes was advised the test returned presumptive positive for amphetamines and the specimen would be sent to the laboratory for confirmation. The defendant denied any illegal drug use, and assured this officer the specimen would return clean.

The defendant advised he still did not know the exact address, but described the location once again.

On October 18, 2011, this officer went to the corner of 10<sup>th</sup> Avenue and Valley Mall Boulevard and located the bus Mr. Barnes described.
